Micklefield Hall is the ideal setting for your wedding. An exquisite venue, just 25 miles from Central London

Micklefield Hall is set in 350 acres of rolling Hertfordshire countryside. THE BRIDAL SUITE

Our beautiful Bridal Suite is the perfect place for the Bridal party (or the Groomsmen) to get ready.

With kitchen facilities, shower room and a large dressing room, it is gives plenty of space to relax, pamper and prepare for the big day.

Access to the Bridal Suite is from 8am on the day of the wedding.

THE GROOM'S ROOM

Our Groom's room is neatly tucked away in the roof of the Great Barn. Far enough away from the Bridal Suite so that parties don't see each other before the big moment.

The Grooms Room has amazing views over the Great Barn and plenty of space for all to get ready.

THE BAR

Our bar area is adjacent to the Great Barn, divided by large glass panels. Fully stocked with all your usual favourites and some local and interesting additions.

We have several options for our bar service which are detailed in our drinks package section of the brochure.

If you have a particular favourite drink that we don't usually stock, please let us know as we may be able to supply it for you.

The six bedrooms, beautifully designed in the old cow barn, are named after Anna & Jamie's children, their daughter-in-law and Jamie's dog. Each room was individually decorated by their namesake (though Oly had a little help from Jamie!).

All rooms are double bedrooms, each with a King-sized bed and en-suite bathroom, tea & coffee making facilities, TV and WiFi. Three of the rooms can be changed to twin beds if required.

The rooms are priced at £175 + VAT per room, which includes breakfast in our breakfast room adjacent to the bedrooms.

Check in is from 12.30pm and check out is the following morning by 10am latest. Breakfast is 8.30-9.30am.

If you do not take the rooms, they will remain empty as you have complete exclusivity.
